Hi Kate,
I know we had talked a while back because you have several summonses for this date. My case is a definite trial, but I just heard from defense counsel and he is going to ask for a continuance. I will still leave you on call in the unlikely event that the Judge won't let him continue it even though I agree, but I doubt we will be going forward. He is looking to reschedule for the week of 3/28. How is that week looking for you? I can try to get a day that works better for you?

Thanks!
Megan
